The Third Quarterly Results have been reviewed by ZHONGHUI ANDA CPA Limited, the auditor of the Company, in accordance with International Standard on Review Engagements 2410 “Review of interim financial information performed by the independent auditor of the entity” issued by the International Auditing and Assurance Standards Board, and by the audit committee of the Company. ## **BUSINESS OVERVIEW AND OUTLOOK**

In terms of financial performance, we recorded a revenue of approximately RMB273.8 million for the nine months ended 30 September 2020, representing a year-on-year increase of approximately 11.5% compared to the same period in 2019. The year-on-year increase in revenue for the nine months ended 30 September 2020 was primarily attributable to the increased time spent and spending of users on the online gaming products of the Group in the first half of 2020 due to (i) the preventive measures and social distancing policies imposed by the relevant government authorities to combat the COVID-19 pandemic (the “**COVID-19 Pandemic**”) in Mainland China, Hong Kong, Taiwan and overseas regions; and (ii) certain online operational activities held by the Group. We recorded a revenue of approximately RMB85.4 million for the third quarter of 2020, representing a year-on-year increase of approximately 0.4% compared to the same period in 2019. The revenue of the Group for the third quarter of 2020 quarter-on-quarter decreased by approximately 10.5% compared to the second quarter of 2020, which was mainly due to the fall of increased time spent and spending of users on the online gaming products of the Group occurred during the pandemic along with the gradual ease of COVID-19 Pandemic, which resulted in the Group’s income level recovering to the pre-pandemic level and the quarter-on-quarter decrease in quarterly revenue.

We recorded an unaudited non-IFRS adjusted loss of approximately RMB14.7 million for the nine months ended 30 September 2020, representing a year-on-year decrease of approximately 117.8% compared to the corresponding period of 2019; and we recorded an unaudited non-IFRS adjusted loss of approximately RMB1.1 million in the third quarter of 2020, representing a year-on-year decrease of approximately 105.8% compared to the third quarter of 2019. The year-on-year decrease in unaudited non-IFRS adjusted net profit for the nine months ended 30 September 2020 and for the third quarter of 2020 was mainly attributable to the decrease in fair value of financial assets such as equity investment partnerships of the Group for the nine

months ended 30 September 2020 due to the economic downturn and market factors caused by the COVID-19 Pandemic. Excluding the impact of non-operating one-off factors such as the changes in the fair value of financial assets, including equity investment partnerships, the unaudited non-IFRS adjusted net profit for the nine months ended 30 September 2020 and for the third quarter of 2020 represented an increase of respectively, approximately 16.4% and approximately 29.2% compared to the corresponding period in 2019. The year-on-year increase in the first three quarters of 2020 was mainly due to the increase in revenue in the same period, while the year-on-year increase in the third quarter of 2020 was mainly due to the lower expenses recorded as compared to the corresponding period. Our unaudited non-IFRS adjusted net profit in the third quarter of 2020 recorded a quarter-to-quarter increase of approximately 95.7% compared to the second quarter of 2020. Excluding the impact of non-operating one-off factors such as the changes in the fair value of equity investment partnerships, the unaudited non-IFRS adjusted net profit for the third quarter of 2020 represented a quarter-to-quarter decrease of 23.7%, mainly due to the decrease in revenue.

In terms of the operating data performance of the Group, we recorded a decrease in the number of paying players and users during the third quarter of 2020 as compared to the second quarter of 2020. In particular, the number of paying players decreased by 10.6% from approximately 0.29 million in the second quarter of 2020 to approximately 0.26 million in the third quarter of 2020. The number of DAUs decreased by 9.4% from approximately 2.2 million in the second quarter of 2020 to 2.0 million in the third quarter of 2020. The number of MAUs decreased by 11.9% from approximately 6.1 million in the second quarter of 2020 to approximately 5.4 million in the third quarter of 2020. The number of paying players and users in the third quarter of 2020 experienced a decrease as compared to the second quarter, mainly due to the relief of COVID-19 Pandemic and gradual recovery of various industries in the Mainland China. However, the ARPPU grew in both web-based version of Texas Hold'em and the mobile version of other card and board games.

The Group will continue to conduct more intensive market surveys, launch innovative game rules, explore various operation modes for card and board games in domestic and foreign market, improve the experience of our game players, continue to strengthen product refinement and operation diversification, ramp up the quality of our games in an all-rounded manner, and spare no effort to build our brand for online and offline match series. On top of consolidating our existing market, more efforts will be made to further expand our overseas market as well as develop other chess and card games business, so as to offset the impact of risks arising from policy. The Group will strictly comply with various laws and regulations of the PRC, develop high-quality puzzle games and matches, and continue with its journey to forge a century-old brand for chess and card games.

## **Non-IFRS Measure – Adjusted net profit**

To supplement our unaudited condensed consolidated financial statements which are presented in accordance with IFRS, we also use unaudited non-IFRS adjusted profit as an additional financial measure to evaluate our financial performance by eliminating the impact of items that we do not consider indicative of the performance of our business. The term “adjusted net profit” is not defined under IFRS. Other companies in the industry which the Group operates in may calculate such non-IFRS item differently from the Group. The use of adjusted net profit has material limitations as an analytical tool, as adjusted net profit does not include all items that impact our net profit for the Reporting Period and should not be considered in isolation or as a substitute for analysis of the Group’s results as reported under IFRS.

Our unaudited non-IFRS adjusted loss for the three months ended 30 September 2020 amounted to approximately RMB1.1 million, as compared to our unaudited non-IFRS adjusted profit for the three months ended 30 September 2019 of approximately RMB19.0 million derived from our unaudited profit for the three months ended 30 September 2020 excluding share-based compensation expenses of approximately RMB0.01 million, RMB0.01 million and RMB0.02 million included in cost of revenue, selling and marketing expenses and administrative expenses, respectively.

The following table sets out the adjusted net (loss)/profit as well as the calculation process based on non-IFRS measures for the three months ended 30 September 2020:

## 21. MATERIAL EVENTS

In March 2019, the Company has come to the attention that it was not able to continue to use the idle cash reserves in its individual bank accounts (the “**Relevant Idle Cash Reserves**”) for fixed-term deposits or wealth management (the “**Incident**”). As at 30 September 2020, the Group’s investments at fair value through profit or loss of RMB371,067,000 and cash and cash equivalents of RMB291,161,000 were frozen.

At the relevant time, the Company considered that the Incident may be implicated as a result of the Case (as defined below) involving individual Employees (as defined below), as such, the Company has engaged its PRC legal advisers (the “**PRC Legal Advisers**”) to advise on this matter. Upon engagement of the PRC Legal Advisers, the PRC Legal Advisers have submitted applications to the relevant PRC court and procuratorate on behalf of the Company in relation to the Incident, including an application to utilize the Relevant Idle Cash Reserves.

Upon advice of the PRC Legal Advisers, the Company filed another application (the “**Application**”) to the relevant PRC court on 21 August 2019 seeking to utilize the Relevant Idle Cash Reserves for wealth management. On 27 August 2019, the Company received a reply (the “**Reply**”) from the relevant PRC court that the Relevant Idle Cash Reserves were frozen due to a prosecution (the “**Case**”) made by the relevant PRC judicial authority against its individual current or former employees (the “**Employees**”) for their alleged illegal activities conducted through one of the Company’s onshore online gaming platforms (the “**Alleged Crime**”). Therefore, the Application was rejected. As advised by the PRC Legal Advisers, if the relevant PRC judicial authority finds that the Employees are guilty of the Alleged Crime and some or all of the Relevant Idle Cash Reserves contain income generated as a result of such conduct, such income may be confiscated.

On 27 December 2019, the Intermediate People’s Court of Chengde City, Hebei Province (the “**Trial Court**”) delivered the judgment in relation to the Case (the “**Judgment**”). The Trial Court held that the Employees are guilty of the Alleged Crime and ordered an amount of approximately RMB943 million to be paid to the state treasury (the “**Judgment Amount**”).

The Company is not a party to the Case. As at the date of this announcement, none of the Company, its directors and its senior management had been subject to any prosecution or investigation by the relevant PRC judicial authorities in relation to the Alleged Crime. In addition, the Company had not received any notification from any relevant PRC judicial authority in relation to the Judgment Sum and so far as the Company is aware, the other bank accounts had not been frozen by the relevant PRC judicial authorities.

The Company is discussing with its PRC Legal Advisers as to the next step forward in relation to the Judgment, including the possibility to take appropriate legal actions as to the Judgment Amount to protect the interests of the Company and its shareholders. As advised by the PRC Legal Advisers, as at the date of this announcement, one of the Employees had applied for appeal against the Judgment and the appeal hearing against the Judgment (the “**Appeal Hearing**”) was heard on 10 November 2020. As advised by the PRC legal Advisors, the relevant PRC court had not indicated when the judgement of the Appeal Hearing will be handed down. The Judgment will not be enforced and the Judgment Sum will not be ordered to be paid until a judgement from the court has finally been handed down.

In light of the fact that (i) the Company, its directors and senior management had not been subject to any prosecution by the relevant PRC judicial authority in relation to the Alleged Crime as at the date of this announcement; (ii) the Relevant Idle Cash Reserves of the Company are only used for the purpose of investing in fixed-term deposits and wealth management products, which is the Company’s general practice; (iii) the Company has sufficient cash reserves available in the other bank accounts for its day-to-day operations; (iv) the Company does not have any loan borrowing as at the date of this announcement; and (v) as at 30 September 2020, the Group recorded current assets in the sum of RMB1.86 billion, the Judgment Amount accounted for approximately 50.7% of the then Group’s current assets, the Board is of the view that the Judgment would not have any material adverse impact on the business, operation and financial conditions of the Group.

The Independent Investigation Committee had held meetings in January, March, May and November 2020 to discuss various matters concerning the Case and the Incident. The senior management of the Company has been maintaining close contact with the Independent Investigation Committee to ensure that any updates of the Case and the Incident can be provided to the Independent Investigation Committee on a timely basis. The Independent Investigation Committee is in the course of preparing the report with details of their findings and their view on the Case and the Incident. After discussing with the Company and its legal advisors, the Independent Investigation Committee is of the view that it will be more appropriate for them to issue the report after they received the outcome of the Appeal Hearing. As at the date of this announcement, the Independent Investigation Committee was of the view that there were no material findings after conducting the independent investigation which have to bring to the attention of the shareholders and potential investors of the Company.

The Company will keep the shareholders and potential investors of the Company informed of any material development in connection with the Case and the Incident as and when appropriate pursuant to the requirements under the Listing Rules.

## **EXTRACT OF INDEPENDENT AUDITOR’S REVIEW REPORT**

The following is an extract of the independent auditor’s report on Review of Condensed Consolidated Financial Information of the Group for the nine months ended 30 September 2020:

### **“BASIS FOR QUALIFIED CONCLUSION**

We were unable to obtain sufficient appropriate evidence to satisfy ourselves as to the recoverability of frozen investments at fair value through profit or loss and restricted bank deposits of RMB371,067,000 and RMB291,161,000 as at 30 September 2020 respectively and RMB362,930,000 and RMB288,394,000 as at 31 December 2019 respectively. Given the scope limitation, there were no other satisfactory procedures that we could perform to determine whether any adjustments to the carrying amounts of frozen investments at fair value through profit or loss and restricted bank deposits as at 30 September 2020 and 31 December 2019 were necessary.

### **QUALIFIED CONCLUSION**

Based on our review, except for the possible effects of the matter described in the Basis for Qualified Conclusion section of our report, nothing has come to our attention that causes us to believe that the interim financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34 “Interim Financial Reporting”.
