Any breach of the foregoing shall entitle the Company to cancel any outstanding Option, or any part thereof, granted to such Option-holder.

LR17.03(17)

4 Vesting and Exercise of Options

4.1 Vesting of Options

The vesting period of the Options shall not be less than twelve (12) months from the date of grant. A shorter vesting period may be granted to the Employee Participants at the discretion of the Board or the remuneration committee of the Company or any other authorised agent(s) as deemed appropriate at the sole discretion of the Board in any of the following circumstances:

LR 17.03(6)

- (i) grants of “make-whole” Options to new joiners to replace the share awards or options they forfeited when leaving the previous employers; or
- (ii) grants to an Employee Participant whose employment is terminated due to death or disability or occurrence of any out of control event; or
- (iii) grants of Option the timing of which is determined by administrative or compliance requirements not connected with the performance of the Employee Participant, in which case the vesting date may be adjusted to take account of the time from which the Option would have been granted if not for such administrative or compliance requirements; or

- (iv) grants of Options with a mixed or accelerated vesting schedule such as where the Option may vest evenly over a period of twelve (12) months.

each of which are considered appropriate to provide flexibility to grant Options (1) as part of competitive terms and conditions to induce valuable talent to join the Group (sub-paragraphs (i) and (iv)); (2) to reward past contribution which may otherwise be neglected due to administrative or technical reasons (sub-paragraphs (ii) and (iii)); (3) to reward exceptional performers with accelerated vesting (sub-paragraph (iv)); (4) to motivate exceptional performers based on performance metrics rather than time (sub-paragraph (v)); and (5) in exceptional circumstances where justified (sub-paragraph (i) to (v)), which is consistent with the purpose of this Scheme.

4.2 Exercise of Options

Subject to the restriction set out in Rule 4.4, any Option:

- 4.2.1 which has vested;
- 4.2.2 the conditions of which have been satisfied or waived by the Board in its sole discretion; and
- 4.2.3 which has not lapsed or cancelled,

may, unless the Board determines otherwise in its absolute discretion, be exercised at any time from the next Business Day after the offer of Options has been accepted by an Option-holder in accordance with Rule 3.4. However, in any event the Options must be exercised within ten (10) years from the date of grant.

LR 17.03(5)

4.3 Manner of Exercise

An Option-holder may exercise any or all of his Options by notice of exercise in writing in such form as the Board may from time to time require delivered to the chairman of the Board (or a person designated by him with the approval of the Board). The notice of exercise of the Option must be completed, signed by the Option-holder or by his appointed agent, and must be accompanied by the:

- 4.3.1 relevant Option Certificate; and
- 4.3.2 correct payment in full in cleared funds of the total Exercise Price for the number of Shares being acquired.

4.4 Restriction on Exercise

No Option may be exercised in circumstances where such exercise would, in the opinion of the Board, be in breach of a statutory or regulatory requirement.

5 Lapse and Cancellation of Options

5.1 Lapse on Expiry of Option Period

An Option will lapse automatically (to the extent not already exercised) on the earlier of:

LR17.03(12)

- 5.1.1 the expiry of the Option Period; or

- 5.1.2 the expiry of the time provided for in the applicable rule where any of the circumstances provided in Rules 5.2 to 5.6 below apply.

5.2 Lapse on Cessation of Employment

5.2.1 Resignation

If an Option-holder ceases to be an Eligible Person by reason of his voluntary resignation (other than in circumstances where he is constructively dismissed), any outstanding offer of Options and all Options, vested or unvested, shall lapse on the date of cessation of employment of such Eligible Person.

5.2.2 Termination by Employer

If an Option-holder ceases to be an Eligible Person by reason of his:

- (i) Employer terminating his Contract in accordance with its terms or any right conferred on his Employer by law; or
- (ii) Contract, being a Contract for a fixed term, expiring and not being renewed; or
- (iii) Employer terminating his Contract for misconduct; or
- (iv) Conduct for act of bankruptcy or has become insolvent or has made any arrangement or composition with his creditors generally, or has been convicted of any criminal offence involving his integrity or honesty or (if so determined by the Board) on any other ground on which an Employer would be entitled to terminate his Contract at common law or pursuant to any applicable laws,

then any outstanding offer of an Option and all Options, vested or unvested, will lapse on the date the Option-holder ceases to be an Eligible Person.

5.2.3 Death, Disability, Retirement and Transfer

If an Option-holder ceases to be an Eligible Person by reason of:

- (i) his death; or
- (ii) his serious illness or injury which in the opinion of the Board renders the Option-holder concerned unfit to perform the duties of his employment and which in the normal course would render the Option-holder unfit to continue performing the duties under his Contract for the following 12 months provided such illness or injury is not self-inflicted; or
- (iii) his retirement in accordance with the terms of an Option-holder's Contract; or
- (iv) his early retirement by agreement with the Option-holder's Employer; or
- (v) if the Board determines in its absolute discretion that circumstances exist which mean that it is appropriate and consistent with the purpose of this Scheme to treat an Option-holder whose Options would otherwise lapse so that such Options do not lapse but continue

to subsist in accordance with (and subject to) the provisions of this Rule 5.2.3,

then, subject to Rule 5.2.4, any outstanding offer of an Option which has not been accepted under Rule 3.4 and any unvested Option will lapse and the Option-holder or his personal representatives (if appropriate) may (subject to Rule 5.1) exercise all his Options (to the extent vested but not already exercised) within a period of three (3) months of the date of cessation of employment. Any Option not exercised prior to the expiry of this period shall lapse.

5.2.4 Lapse After Leaving Employment

If the Board determines that an Option-holder who ceases to be an Eligible Person in circumstances such that his Options continue to subsist in accordance with the above Rule 5.2.3:

- (i) is guilty of any misconduct which would have justified the termination of his Contract for cause but which does not become known to the Company until after he has ceased employment with any member of the Group; or
- (ii) is in breach of any material term of Contract (or other contract or agreement related to his Contract), without limitation, any confidentiality agreement or agreement containing non-competition or non-solicitation restrictions between him and any member of the Group;

then it may, at its absolute discretion, determine that any unexercised Options, vested or not vested, held by the Option-holder shall immediately lapse upon the Board resolving to make such determination (whether or not the Option-holder has been notified of the determination).

5.2.5 Lapse in Other Circumstances

If the Board determines that an Option-holder who:

- (i) has disclosed trade secrets or confidential information of any member of the Group; or
- (ii) has entered into competition with a Member of the Group or breached any non-solicitation provisions in his Contract; or
- (iii) is in breach of the regulations or labor disciplines of the Company; or
- (iv) is guilty of serious dereliction of duty and dishonesty, causing loss to the Company; or
- (v) is employed with other companies other than a member of the Group or holding any part-time position in other companies other than a member of the Group; or
- (vi) is not qualified to perform his duty under the Contract, and after training is given or the position is changed, still being unqualified for his job; or
- (vii) unable to reach an agreement with the Company in respect to the

- change of the content of the Contract where there is a significant change to the objective circumstances on which the conclusion of the Contract is based, leading to the non-performance of the Contract; or
- (viii) is on the list of employees subject to the economic layoffs conducted by the Company in accordance with applicable laws and regulations; or
- (ix) is guilty of appropriating the Group's funds, assets, equipment or facilities for other use without obtaining prior consent in due course;
- (x) has caused serious damage to the Company's reputation or economic loss to the Company as a result of his improper behavior or speech; or
- (xi) is guilty of negligence or improper behavior at work, causing certain economic loss to the Company or other adverse impact on the Company;
- (xii) is held criminally liable for any breach of applicable laws and regulations or is subject to any administrative penalties for such breach;
- (xiii) is in breach of the Contract or the terms of grant of Option; or
- (xiv) caused his employment relationship with the Group to be terminated abnormally, and his vested and unvested Options should lapse as evaluated by the Company,

then it may, at its absolute discretion, determine that any unexercised Options, vested or not vested, held by the Option-holder shall immediately lapse upon the Board resolving to make such determination (whether or not the Option-holder has been notified of the determination).

The grant of Options is not subject to any clawback mechanism to recover or withhold the remuneration (which may include any options or awards granted) to any Eligible Person(s) in the event of serious misconduct, a material misstatement in the Company's financial statements or other circumstances.

LR17.03(19)

5.3 **Lapse on Cessation to be a Director**

In the event that any Director ceases to be a Director, the Company shall, as soon as practicable thereafter, give notice to the relevant Option-holder who as a result ceases to be an Eligible Person. Any outstanding offer of an Option which has not been accepted under Rule 3.4 and any unvested Option will lapse on the date the Option-holder ceases to be an Eligible Person. The Option-holder (or his personal representative) may (subject to Rule 5.1) exercise all his Options (to the extent vested but not already exercised) within a period of three (3) months of the date of the notification by the Board. Any Option not exercised prior to the expiry of this period shall lapse.

5.4 **Lapse on a General Offer**

5.4.1 If as a result of any general offer made to the holders of Shares, the Board becomes aware that the right to cast more than 50 per cent. of the votes which may ordinarily be cast on a poll at a general meeting of the Company has or will become vested in the offeror, any company controlled by the offeror and

any person associated with or acting in concert with the offeror (a **“Change of Control”**), the Board will notify every Option-holder of this within fourteen (14) days of becoming so aware or as soon as practicable after any legal or regulatory restriction on such disclosure no longer applies.

5.4.2 Subject to Rule 4.4 and Rule 5.1, each Option-holder will be entitled at any time during the Change of Control Period as defined in Rule 5.4.3 to exercise his Options (to the extent vested but not already exercised). All Options, vested or unvested, not exercised before the end of the Change of Control Period will lapse at the end of the Change of Control Period.

5.4.3 **“Change of Control Period”** means the period of one (1) month starting on the date of the Board's notification under Rule 5.4.1.

5.5 **Lapse on Company Reconstructions**

In the event of a compromise or arrangement, the Company shall give notice to all Option-holders on the same date as it gives notice of the meeting to the Shareholders or its creditors to consider such a compromise or arrangement and each Option-holder (or his personal representative) may at any time thereafter, but before such time as shall be notified by the Company, exercise all or any of his Options (to the extent vested but not already exercised), and subject to the Company receiving the exercise notice and the Exercise Price, the Company shall as soon as possible and in any event no later than the Business Day immediately prior to the date of the proposed general meeting, allot, issue and register under the name of the Option-holder such number of fully paid Shares which fall to be issued on exercise of such Options. Any Options, vested or unvested, not so exercised will lapse.

5.6 **Lapse on Winding-Up**

In the event a notice is given by the Company to the Shareholders to convene a general meeting for the purpose of considering and, if thought fit, approving a resolution to voluntarily wind up the Company, the Company shall on the same date as or soon after it dispatches such notice to the Shareholders give notice thereof to all Option-holders and (subject to Rule 4.4 and Rule 5.1) each Option-holder (or his personal representative) shall be entitled to exercise all or any of his Options (to the extent vested but not already exercised) at any time no later than seven days prior to the proposed general meeting of the Company, and subject to the Company receiving the exercise notice and the Exercise Price, the Company shall as soon as possible and, in any event, no later than the Business Day immediately prior to the date of the proposed general meeting, allot, issue and register under the name of the Option-holder such number of fully paid Shares which fall to be issued on exercise of such Options. Any Options, vested or unvested, not so exercised will lapse.

5.7 **Cancellation of Options**

Any cancellation of Options granted but not exercised, if the Grantee of the relevant Options so agrees, must be approved by the Board. Where the Company cancels Options and issues new ones to the same Grantee, the issue of such new Options may only be made under this Scheme with available unissued Options (excluding the cancelled Options) within the limit as mentioned in Clause 7. The Options cancelled

LR17.03(14)

will be regarded as utilized for the purpose of calculating the Scheme Mandate Limit and Service Provider Sublimit.

6 Shares

6.1 Issue of Shares

Shares to be issued following the exercise of an Option will be issued as soon as reasonably practicable (and, unless otherwise agreed between the Company and the Option-holder, in any event within thirty (30) days after the date on which correct payment in cleared funds of the Exercise Price for the number of Shares to be issued is received by the Company). However, if the Board considers that any restriction under any law or regulation or the rules of any stock exchange prevents the issue of Shares within this timeframe, the Shares will be issued or transferred within thirty (30) days of the lifting of the restrictions.

6.2 Rights

No dividends (and distributions made upon the liquidation of the Company) will be payable and no voting rights will be exercisable in relation to an Option that has not been exercised. Shares allotted and issued on the exercise of an Option will rank equally in all respects with the Shares in issue on the date of allotment. They will not rank for any rights attaching to Shares by reference to a record date preceding the date of allotment.

LR17.03(10)

LR17.03(15)

6.3 Consents

All allotments and issues of Shares or grant or exercise of Options will be subject to any necessary consent under any relevant enactments or regulations for the time being in force under any relevant local legislation or regulations. The Option-holder will be responsible for complying with any requirements to be fulfilled in order to obtain (or avoid the necessity for) any such consent.

6.4 Articles of Association

Any Shares acquired on the exercise of Options will be subject to the articles of association of the Company as amended from time to time.

7 Maximum Number of Shares Available for Subscription

7.1 10% Limit

7.1.1 The total number of Shares which may be issued in respect of all Options to be granted under this Scheme, together with all options and awards granted under any other schemes of the Company must not in aggregate exceed 10% of the total number of Shares in issue as at the date of approval of this Scheme (the “**Scheme Mandate Limit**”). Options lapsed in accordance with the terms of this Scheme will not be regarded as utilized for the purpose of calculating the Scheme Mandate Limit.

LR17.03(3)

7.1.2 The sublimit on the total number of Shares which may be issued in respect of all Options to be granted to Service Provider Participants within the Scheme Mandate Limit shall initially be of 1% of the total number of Shares in issue as at the date of approval of this Scheme (the “**Service Provider Sublimit**”).

7.2 **Refreshing the 10% Limit**

The Company may seek approval by Shareholders in general meeting for refreshing the Scheme Mandate Limit (and the Service Provider Sublimit) after three (3) years from the date of Shareholders’ approval of the adoption of this Scheme or the last refreshment (where applicable). Any refreshment within any three (3) years period must be approved by the Shareholders subject to the following:

7.2.1 any controlling Shareholders and their associates (or if there is no controlling shareholder, Directors (excluding the Independent Non-Executive Directors) and the chief executive of the Company and their respective associates) must abstain from voting in favour of the relevant resolution at the general meeting; and

7.2.2 the Company must comply with the requirements under rules 13.39(6) and (7), 13.40 to 13.42 of the Listing Rules.

The requirements under sub-paragraphs (i) and (ii) above do not apply if the refreshment is made immediately after an issue of the Shares by the Company to the Shareholders on a pro rata basis as set out in rule 13.36(2)(a) of the Listing Rules such that the unused part of the Scheme Mandate Limit (as a percentage of the Shares in issue) upon refreshment is the same as the unused part of the Scheme Mandate Limit immediately before the issue of the Shares, rounded to the nearest whole Share.

7.3 **Exceeding the 10% Limit**

The Board may grant Options to any Eligible Persons specifically identified by them which would cause the limit under Rule 7.1 (including, for the avoidance of doubt, any such limit as “refreshed” under Rule 7.2) to be exceeded, but only with the approval of the Shareholders in general meeting. The Company must also send a circular to the Shareholders containing the information required under Rule 17.03C(3) of the Listing Rules and the relevant approval must be obtained in the manner prescribed by the Listing Rules.

7.4 **Individual Limit**

Where any grant of Options to an Eligible Person would result in the Shares issued and to be issued in respect of all options and awards granted to such Eligible Person pursuant to this Scheme or any other schemes of the Company (excluding any options and awards lapsed in accordance with the terms of this Scheme or any other schemes of the Company) in the 12-month period up to and including the date of such grant representing in aggregate over 1% of the ordinary share capital of the Company in issue, such grant must be separately approved by Shareholders in general meeting with such Eligible Person and his/her close associates (or associates if the Eligible Person is a connected person) abstaining from voting. The Company must send a

LR17.03(4)

circular to the Shareholders containing the information required under Rule 17.03D of the Listing Rules.
